
How the Barksdale Process Works

- 1) Families decide which litter interests them.
- 2) Communicate with Barksdale about litters via email or by phone.
- 3) Discuss size, gender, color, coat, timing, temperament, and any other needs or wants.
- 4) Read what you get with a Barksdale by going to Pricing and Payment Center.
- 5) Discuss the "BK Wait List" process. Submit a deposit of \$250 (Pay by Credit Card, PayPal or Check) and email puppy application (PDF). Payments are non-refundable. The Deposit is for the "BK Wait List".
- 6) Placement made by Barksdale to "BK Wait List".
- 7) Upon whelp of a litter, notification will be made informing of a possible puppy. The notification will be based on order of priority to the size, color, etc. that has been expressed.
- 8) Upon interest being confirmed, you will be placed in that litter. If you are not interested, your name will remain on the list and the next person will be contacted. (This is not a placement of a certain puppy, but a placement in a certain litter.)
- 9) Upon placement in a designated litter, you will pay an additional (non-refundable) sum of \$250 which will complete your "BK Application Fee".
- 10) Barksdale Puppies can and will be designated at various ages of their lives, with the primary designation done at 6 weeks (+ or -) of age. Barksdale does the selection based on priority of reservation, needs & wants, and most importantly the "Doodle Fit".
- 11) Around 8 weeks of age Barksdale's Veterinary Team will continue protocol, vaccinate, flea & heart worm preventative, & exam will be performed by Barksdale's Veterinary Team.
- 12) Go home is generally after the 8th week.
- 13) Barksdale Labradoodles reserves the right to select two puppies first from every litter for our breeding program.
- 14) The Final Payment is due and payable a minimum of 10 working days before pickup or delivery of your Barksdale Puppy.
- 15) Barksdale requires a signed Spay / Neuter Contract before delivery of the Barksdale Puppy (except in the case of a designated Barksdale Breeder).

BARKSDALE FACILITY AND PUPPY VISITATION DAYS AND PICKUP WILL NOT TAKE PLACE DUE TO THE NEED FOR BIO SECURITY FOR THE BARKSDALE PUPPIES AND THE CURRENT COVID-19 PANDEMIC, YOU WILL BE WALKED THROUGH THIS PROCESS WHEN THE TIME COMES.
